NEW YORK DEMOCRATS INDORSE PRESIDENT

Syracuse, N. Y., March 1.—Declaring that President Wilson has "asserted our rights and preserved the dignity of the country," the platform before the state democratic convention here today recommends his re-nomination. Before adjournment, leaders expect the convention to endorse the president's stand on preparedness as well as his Mexican and European policies. Four delegates at large to the St. Louis national convention will probably go unpledged, but as pro-Wilson men.

She has relatives in Reno, Nevada, the police claim. R. E. Rowick, one of the men under arrest with her, is known to officers of Portland, Oregon.

Date of Debate Between Rival High Schools Changed

(Capital Journal Special Service.)

Jefferson, Ore., Feb. 29.—The debate between the Jefferson, Ore., high school, winners of the North Willamette district, has been changed because each school has filed a protest against the other. The ground of both protests is that their respective debates were heard by representatives of the other school. Another factor which led to

the change is the inability of the Astoria team to reach North Bend.

The Oregon Debating league council met in Salem and decided on the following schedule: Astoria will meet Jefferson; Albany will meet North Bend. The debates will be held on March 11 or 15.
